"The flag of our country droops from yonder staff" Rev Trout preached a sermon to a large portion of the American Army. "Soldiers and countrymen - it is a solemn moment. brethren, does not the voice of nature seem to echo the sympathies of the hour. All nature pauses in solemn silence on the eve of tomorrow."

Dear Neighbors:

Please join us in remembering the largest battle of the American Revolution by flying the Brandywine Battleflag during the weekend of September 9th to 13th. We have large flags for flagpoles or medium flags for use on small poles or porches. The large flag can be purchased for \$60 or rented for \$20. The medium flag can be purchased for \$40 or rented for \$15. We hope to see the flag cover much of the Brandywine Valley in support of our local history. Please visit our website below for more information.
